

## *Atlantic Nursing Informatics Conference*

# **BUILDING BRIDGES – MAKING CONNECTIONS**

Presented by  
**Nova Scotia Nursing Informatics Group**

## **Save the Date**

**October 17<sup>th</sup> & 18<sup>th</sup>, 2013**

**Halifax, Nova Scotia**

---

### *Our Program is intended ...*

---

1. To provide perspectives on local and national electronic health record implementations.
2. To discuss privacy and security challenges in the social media world.
3. To review lessons learned from various implementations of electronic documentation systems
4. To better understand the advantages and challenges of social media in making connections and enhancing nursing practice.

### **A conference for:**

**Nurses in all care settings, student nurses, and other Health Care Providers.**
